RE: Governing Documents

Osage Vistas is in the process of revising the Governing Documents of the Association. The revisions are quite detailed and require approximately 120 pages to complete. The Board of Directors is providing you the opportunity to view the revisions prior to the 2018 Annual Owners Meeting which will be held Saturday, October 13th at the Four Seasons Community Center. In an effort to be both fiscally and environmentally responsible, they would like to offer owners some choices in the method for delivery of the document.

Please indicate below, your preference to receive the document in hard copy by mail, or if you would prefer to view it electronically, we will provide you with a flash drive that will allow you to view it on your computer. Hard copies will also be available at the Osage Vistas POA office.

Indicate below your preferred method of receiving the document and return to the POA Office at the letterhead address below by September 15, 2018.
